STAT

Memo to:  *25 Feb 75*  
*Wm*

*I called to get on Mr. Garm's  
calendar per attached instruction.  
His secretary called back when  
I was out and left this msg:*

*His schedule is such that he  
can't see me. If the schedule  
lets up he will call me.*

STAT

*Please prepare an informal  
letter for me to read him suggesting  
that there may be some misunder-  
standing and then provide clarification.  
Let's hit liaison issue and cite  
problem — also, he'll be different.* 7
